

Our vision of business

Our business vision is to keep the highest standards of international trade. Export Portal instills a culture of promoting and assisting small businesses worldwide. Honesty and transparency are virtues we embrace.

We seek to aid exporters and importers navigate through all the paperwork, laws, regulations, exceptions that vary from country to country. By assisting both parties with trusted experts, we aim to make the whole transaction safe and hassle-free.

Equal Protection for **Buyers and Sellers**

Efforts have been made to ensure transactions are as fair as possible, which includes safeguards, for the parties involved. By requiring Buyers to pay upfront and verifying the Seller's shipment, we can ensure parties are equally protected. If complications arise on either front, we will work with both parties to find an agreeable solution.

Arranging **International Shipping**

One of the most difficult logistical problems is negotiating international shipping. The logistical process becomes complicated if the parties involved are unfamiliar with each country's shipping rules and regulations. To alleviate your shipping worries, we will arrange the international shipping for you.

Assisting with all **Paperwork**

Once all agreements for purchase and sale have been gathered, there are still mountains of paperwork to be completed for the safe transfer of products. We help you through the entire process and give proper guidance so you will have a smooth transaction.

Assuring the Proper **implementation of Insurance**

When shipping products internationally, there are several risks, and there are a dozen types of insurance to cover these risks. To ensure you have the proper coverage at the lowest possible price, we assist you in negotiating and implementing the appropriate insurance coverage.

Exceed International **Business Trade Standards**

Countries have their unique standards and requirements for trade. If you are unfamiliar with the regulations or trade standards, you may not be able to get your product out of or into the required country. When you work with our experts, you will have all the necessary information you will need to avoid overpaying and shipping delays.

Laws and Rules

We abide by all regulations for international transactions.
