

EMBASSY OF ROMANIA  
TO THE ISLAMIC REPUBLIC OF IRAN  
سفارت رومانی در جمهوری اسلامی ایران

488/30.03.2022

Doamnă/Domnule Președinte

Vă transmitem, atașat, o invitație adresată companiilor românești de profil pentru a participa la a 17-a ediție a *International Exhibition of Water and Water Wastewater Industry (WATEX)* care va fi organizată în Teheran/RI Iran în perioada octombrie-noiembrie 2022. Evenimentul este organizat de National Water&Waste Water Engineering Company, parte a Ministerului Energiei din R.I. Iran.

Adresăm rugămintea de a disemina în cadrul Camerelor de Comerț și Industrie pe care le reprezentați, iar în cazul în care există companii care doresc să se alăture acestui proiect, puteți contacta Ambasada României la Teheran sau chiar direct organizatorul - la datele de contact care se regăsesc în ofertă.

Cu mulțumiri și aleasă considerație.

Ambasador,

Mirela Carmen Greco

**Your Excellency,**

We have the pleasure to inform you that the 17<sup>th</sup> International Exhibition of Water and Water and Wastewater Industry (WATEX) will be held in October – November 2022 at the Tehran Permanent Fairground, involving different fields of water industry, including water resources, dam construction, water conveyance systems, water treatment, treatment of wastewater and waste, environmental technologies, equipment and engineering services. This is the largest trade and industrial exhibition related to water and wastewater industry in Iran and the West Asia, which is held each year with the participation of over 400 Iranian and foreign companies, a trend, which has unfortunately been halted over the past two years during the COVID -19 pandemic.

In view of the above, and in the context of fostering relations between the water and wastewater industry of the Islamic Republic of Iran with the experienced companies of your esteemed country, we hereby extend our invitation to your national public and private firms, to express their interest in reserving a stand for presenting their latest wares, equipment, achievements and technologies during the event.

We would be grateful, if you would kindly inform the relevant companies in your country about the exhibition.

Thanking you, I remain,

**Hamid Reza Kashfi**  
Deputy for Steering and Supervision of Operations  
Member of Board of Directors, and  
Chair, Technical and Scientific Committee  
17<sup>th</sup> International Exhibition of Water and Water and Wastewater Industry
